2. Summary of Reserves

Please see the following summary of the Association's reserves, prepared pursuant to Civil Code §5565. This summary is based on the most recent review or study conducted pursuant to Civil Code §5550, and is based only on assets held in cash or cash equivalents.

- (1) 2024 Reserve Study summary is attached.**
- (2) Please note the following information applicable as of 1/1/2024:**
 - (a) The current estimate of the amount of cash reserves necessary to repair, replace, restore, or maintain the major components is \$1,372,012.**
 - (b) The current amount of accumulated cash reserves actually set aside to repair, replace, restore, or maintain major components is 249,049.**
 - (c) The Association's reserves do not include any funds received from either a compensatory damage award or settlement to the Association from any person for injuries to property, real or personal, arising out of any construction or design defects, and the Association has made no expenditure or disposition of such funds (including no amounts expended for the direct and/or indirect costs of repair of construction or design defects).**

- (3) The percentage of funding of the Association's reserves, determined by dividing the current amount of accumulated cash reserves described in paragraph (2)(b) by the current estimate of the amount of necessary cash reserves described in paragraph (2)(a), is 18.2%
- (4) The current deficiency in reserve funding expressed on a per unit basis is \$16,275. This figure has been calculated in accordance with the provisions of Civil Code §5565(d).

3. Summary of Reserve Funding Plan

The following summary of the reserve funding plan adopted by the Board has been prepared in accordance with Civil Code §5550(b)(5).

The Association plans to fund the contribution identified in Civil Code §5550(b)(4)* to meet the Association's obligation for the repair and replacement of all major components with an expected remaining life of 30 years or less, not including those components that the Board has determined will not be replaced or repaired, as follows: None.

**Civil Code §5550(b)(4) identifies that the study of the reserve account requirements of the Association's common interest development include an estimate of the total annual contribution necessary to defray the cost to repair, replace, restore, or maintain the major components that the Association is obligated to repair, replace, restore, or maintain that, as of the date of the study, have a remaining useful life of less than 30 years, during and at the end of their useful life, after subtracting total reserve funds as of the date of the study.*

Notice: The full reserve study plan is available upon request, and the Association will provide the full reserve plan to any member upon request.

4. Major Component Deferred Maintenance Statement

The Board has determined to defer or not undertake repairs or replacement of one or more major components with a remaining life of 30 years or less. Those major components include the following: Any item on the component list of the reserve study with a remaining useful life of zero.

The justification for the deferral or decision not to undertake the repairs or replacement is as follows: The Board believes that there is remaining useful life in said components and does not want to unduly burden the owners with expenses that are not immediately necessary.

5. Special Assessment Statement

The Board, consistent with the reserve funding plan adopted pursuant to Civil Code §5560, has determined and does anticipate that the levy of a special assessment may be required in 2024 to repair, replace, or restore any major component or to provide adequate reserves for same.

6. Reserve Funding Mechanisms Statement

The mechanism or mechanisms by which the Board will fund reserves to repair or replace major components, including assessments, borrowing, use of other assets, deferral of selected replacements or repairs, or alternative mechanisms, is as follows: Board may use all of the above.

7. Calculation of Reserves Statement

The procedures used for the calculation and establishment of the reserves to defray the future repair, replacement, or additions to those major components that the Association is obligated to maintain are as follows: The current cost of replacement or repair multiplied by the number of years the component has been in service divided by the useful life of the component.

The above procedures include reserve calculations made using the formula described in Civil Code §5570(b)(4), and do not assume a rate of return on cash reserves in excess of 2 percent above the discount rate published by the Federal Reserve Bank of San Francisco at the time the calculation was made.

8. Outstanding Loans Statement

The Association does not have any outstanding loans with an original term of more than one year.

9. Assessment and Reserve Funding Disclosure Form

The Assessment and Reserve Funding Disclosure Summary form, prepared pursuant to Civil Code §5570, is enclosed in accordance with Civil Code §5300(e).

10. Summary of Association Insurance Policies

The declaration pages for the Association's property, general liability, and fidelity insurance policies are enclosed. For each policy, the insurance policy declaration page(s) includes the name of the insurer, the type of insurance, the policy limit, and the amount of the deductible, if any.

The following statement is being included in accordance with Civil Code §5300(b)(9):

This summary of the Association's policies of insurance provides only certain information, as required by Section 5300 of the Civil Code, and should not be considered a substitute for the complete policy terms and conditions contained in the actual policies of insurance. Any Association member may, upon request and provision of reasonable notice, review the association's insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies. Although the Association maintains the policies of insurance specified in this summary, the Association's policies of insurance may not cover your property, including personal property or real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage.

11. FHA/VA Certification Disclosure

Should you have any questions or comments pertaining to the above or enclosed information, please contact Trevor Barrocas, by telephone at 626-577-3060 or by email at trevorb@managedbycornerstone.com .

Projected Starting Reserve Balance	\$249,049
Fully Funded Reserve Balance	\$1,372,012
Percent Funded	18.2 %
Recommended 2024 Monthly Reserve Contribution	\$10,050

Reserve Fund Strength: 18.2%

Risk of Special Assessment:

Economic Assumptions:

Net Annual "After Tax" Interest Earnings Accruing to Reserves	2.00 %
Annual Inflation Rate	3.00 %

This is a No-Site Visit update based on a prior Reserve Study prepared by Association Reserves for your 2023 Fiscal Year. No site inspection was performed as part of this Reserve Study.

This Reserve Study was prepared by a credentialed Reserve Specialist (RS).

Your Reserve Fund is currently at 18.2 % Funded. Being below 30% Funded represents a weak Reserve position. Associations in this range have a High risk of Reserve cash-flow problems (such as special assessments and/or deferred maintenance) in the near future.

Based on this starting point, your anticipated future expenses, and your historical Reserve contribution rate, our recommendation is to increase your Reserve contributions and to implement a special assessment of \$710,000.

Your multi-year Funding Plan is designed to provide for timely execution of Reserve projects and gradually bring your association closer to the "Fully Funded" (100%) level.

Predicted reserve balance includes the remaining cost of the front balcont resurface and repair.

7. Policies and Practices Relating to Delinquent Assessments

Please see the enclosed document titled “Delinquent Assessment Collection Policy”, which describes the Association’s policies and practices in enforcing lien rights and other legal remedies for default in the payment of assessments. This document describes the steps the Association will take if a homeowner does not pay assessments on time and in accordance with the provisions of the Association’s governing documents.

9. Dispute Resolution Procedures

The Davis-Stirling Act provides two procedures for dispute resolution. The purpose of these procedures is to encourage homeowners and the Association to resolve disputes involving violations, or alleged violations, of the Association’s governing documents and/or certain laws without incurring the time and expense involved in a lawsuit.

The first dispute resolution process is Internal Dispute Resolution. This process is an informal process (often referred to as a “meet and confer”) to resolve disputes between a homeowner and the Association. The attached document titled “Internal Dispute Resolution Procedure (IDR)” includes a description of the Association’s Internal Dispute Resolution procedures, and is being provided by the Association pursuant to Civil Code §5920.

The second dispute resolution process is Alternative Dispute Resolution. This process is a more formal process to resolve disputes between a homeowner and the Association, or between two or more homeowners, and includes mediation, arbitration, conciliation and other nonjudicial procedures that involve a neutral third party. The form of dispute resolution chosen may be binding or nonbinding, with the voluntary consent of the parties. The Alternative Dispute Resolution

process is commenced by the service of a "Request for Resolution", as described in Civil Code §5935. Enclosed for your review and reference is a copy of Civil Code §5925 through §5965 (Article 3 of Chapter 10 of Part 5 of the Civil Code).

Please note the following: Failure of a member of the association to comply with the alternative dispute resolution requirements of Section 5930 of the Civil Code may result in the loss of the member's right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law.

10. Requirements for Association Approval of Physical Changes

The Association's governing documents, specifically the Association's CC&Rs, require that homeowners obtain approval from the Association before making certain physical changes to the common area and/or to their separate interests. A summary of the types of changes that require Association approval and the procedure used to review and approve or disapprove a proposed change are described in sections of the CC&Rs (attached), in accordance with Civil Code §4765.

STATEMENT OF ASSESSMENT COLLECTION POLICIES

The following notice has been prepared in accordance with Civil Code §5730:

NOTICE ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property, through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the *Civil Code*. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or nonjudicial foreclosure, the association may *recover* assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain document in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The

association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform. With the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code)

Delinquent Assessment Collection Policy

January 1, 2024

Prompt payment of Assessments by all owners is critical to the financial health of the Association and to the enhancement of the property values of our homes. Your Board of Directors takes very seriously its obligation under the Declaration of Covenants, Conditions and Restrictions (CC&Rs) and the California Civil Code to enforce the members' obligation to pay assessments. The policies and practices outlined shall remain in effect until such time as they may be changed, modified, or amended by a duly adopted resolution of the Board of Directors. Therefore, pursuant to the CC&Rs and California Civil Code, the following are the Association's assessment practices and policies:

1. Assessments, late charges, interest and collection costs, including any attorneys' fees, are the personal obligation of the owner of the property at the time the assessment or other sums are levied (Civil Code Section 5650(a)).
2. Regular monthly assessments are due and payable on the first day of each month. Payments must be deposited in the designated drop box at the property or received in the office of Cornerstone R/E Management, Inc. by the 15th of the month. A courtesy billing statement is sent each month to the email/billing address on record with the Association. **However, it is the owner of record's responsibility to pay each assessment in full each month regardless of whether a statement is received.** All other assessments, including special assessments, are due and payable on the date specified by the Board on the Notice of Assessment, which date will not be less than thirty (30) days after the day of notice of the special assessment.
3. Any payments made shall be first applied to assessments owed, and only after the assessments owed are paid in full, shall such payments be applied to late charges, interest, and collection expenses, including attorneys' fees, unless the owner and the Association enter into an agreement providing for payments to be applied in a different manner.
4. Assessments not received within fifteen (15) days of the stated due date are delinquent and shall be subject to a late charge as provided in your CC&Rs not to exceed 10% of the delinquent assessment.
5. An interest charge at a rate stipulated in you CC&Rs, not to exceed 12% per annum will be assessed against any outstanding balance, including delinquent assessments, late charges and cost of collection, which may include attorneys' fees. Such interest charges shall accrue thirty (30) days after the assessment becomes due and shall continue to be assessed each month until the account is brought current.

6. If a special assessment is payable in installments and an installment payment of that special assessment is delinquent for more than thirty (30) days, all installments will be accelerated and the entire unpaid balance of the special assessment shall become immediately due and payable. The remaining balance shall be subject to a late charge and interest as provided above.
7. If an assessment is not received within fifteen (15) days after the assessment becomes delinquent, the Association or its designee, in the event the account is turned over to a collection agent, will send a pre-lien letter to the owner as required by Civil Code Section 5660, by certified and first class mail, to the owner's mailing address of record advising of the delinquent status of the account, impending collection action and the owner's right to request that the Association participate in some form of internal dispute resolution process ("IDR"). The owner will be charged a fee of Two Hundred Fifty Dollars (\$250.00) for the pre-lien letter if prepared by Cornerstone R/E Management, Inc. Notwithstanding the provisions of this Paragraph, the Association may (i) send a pre-lien letter to a delinquent Owner at any time when there is an open escrow involving the Owner's Unit/Lot, and/or (ii) issue a pre-lien letter immediately if any Special Assessment becomes delinquent.
8. If an owner fails to pay the amounts set forth in the pre-lien letter and fails to request IDR within thirty (30) days of the date of the pre-lien letter, the Board shall decide, by majority vote in an open meeting, whether to authorize a lien service to record a lien for the amount of any delinquent assessments, late charges, interest and/or costs of collection including attorney's fees, against the owner's property. The owner will be charged of the fees and costs of preparing and recording the lien. The lien may be enforced in any manner permitted by law including, without limitation, judicial or non-judicial foreclosure (Civil Code Section 5735(a)(b), 5700(a), 5710(a)(c)).
9. Once the matter has been transferred to a lien service, the service may be authorized to enforce the lien thirty (30) days after recordation of the lien and may be authorized to foreclose the lien by non-judicial foreclosure sale when either (a) the delinquent assessment amount totals One Thousand, Eight Hundred Dollars (\$1,800.00) or more, excluding accelerated assessments and specified late charges and fees or (b) the assessments are delinquent for more than twelve (12) months. You could lose ownership of your property if a foreclosure action is completed. You will be responsible for significant additional fees and costs if a foreclosure action is commenced against your property.
10. The decision to foreclose on a lien must be made by a majority of the Board of Directors in an Executive Session meeting and the Board of Directors must record their votes in the minutes of the next open meeting of the Board. The Board must maintain the confidentiality of the delinquent owner(s) by identifying the matter in the minutes by only the parcel number of the owner's property. Prior to initiating any foreclosure sale on a recorded lien, the Association shall offer

delinquent homeowners the option of participating in Internal Dispute Resolution “IDR” or Alternative Dispute Resolution “ADR”.

11. An owner is entitled to inspect the Association’s accounting books and records to verify the amounts owed pursuant to Corporations Code Section 8333.
12. In the event it is determined that the owner has paid the assessment on time, the owner will not be liable to pay the charges, interest, and costs, of collection associated with collection of those assessments.
13. An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the Association, including, but not limited to, and assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.
14. An owner has the right to dispute the assessment debt by submitting a written request for dispute resolution to the lien service for delivery to the Association pursuant to Civil Code Section 5900-5915.
15. An owner has the right to request alternative dispute resolution with a neutral third party pursuant to Civil Code Section 5925-5965 before the Association may initiate foreclosure against the owner’s separate interest, except that binding arbitration shall not be available if the Association intends to initiate a judicial foreclosure.
16. Any owner who is unable to pay assessments will be entitled to make a written request for a payment plan to the lien service to be considered by the Board of Directors. An owner may also request to meet with the Board in executive session to discuss a payment plan if the payment plan request is mailed within fifteen (15) days of the postmark date of the pre-lien letter. The Board will consider payment plan requests on a case-by-case basis and is under no obligation to grant payment plan requests. Payment plans shall not interfere with the Association’s ability to record a lien on an owner’s separate interest to secure payment for the owner’s delinquent assessments. If the Board authorizes a payment plan, it may incorporate payment of ongoing assessments that accrue during the payment plan period. If a payment plan is approved, additional late fees from the homeowner will not accrue while the owner remains current under the terms of the payment plan. If the owner breaches an approved payment plan, the Association may resume its collection action from the time the payment plan was approved.
17. Nothing herein limits or otherwise affects the Association’s right to proceed in any lawful manner to collect any delinquent sums owed to the Association.
18. Prior to the release of any lien, or dismissal of any legal action, all assessments, late charges, interest and costs of collection, including attorneys’ fees, must be paid in full to the Association.

19. There is no right of offset. An owner may not withhold assessments owed to the Association of the alleged grounds that the owner is entitled to recover money or damages from the Association for some other obligation.
20. The Association shall charge the owner a Seventy-Five Dollar (\$75.00) fee for any check or ACH payment tendered to the Association that is returned unpaid by the owner's bank. If a check cannot be negotiated, the association may also seek to recover damages of at least One Hundred Dollars (\$100.00), or, if higher, three (3) times the amount of the check up to One Thousand, Five Hundred Dollars (\$1,500.00) pursuant to Civil Code Section 1719.
21. Owners have the right to provide a secondary address for mailing for purposes of collection to the Association. The owner's request shall be in writing and shall be mailed to the Association in a way that shall indicate that the Association has received it. An owner may identify or change a secondary address at any time, provided that, if a secondary address is identified or changed during the collection process, the Association shall only be required to send notices to the indicated secondary address from the point the Association receives the request.
22. All charges listed herein are subject to change upon thirty (30) days' prior written notice.
23. Until the owner has paid all amounts due, including delinquent assessments, late charges, interest and costs of collection, including attorneys' fees, the Board of Directors may suspend the owner's rights, including use the Association's recreational facilities as allowed by their CC&Rs, after providing the owner with a duly noticed hearing pursuant to Civil Code Section 5855. However, any suspension imposed shall not prevent the delinquent owner from the use, benefit and pleasure of the owner's lot.
24. **The mailing address for overnight payment of assessments is:**

**Cornerstone R/E Management, Inc.
540 El Dorado Street, Suite 101
Pasadena, CA 91101**

1. Notice and Hearing Procedures. This Hearing Procedure, Enforcement and Fine Policy (this "Policy") will be followed whenever the Board meets to consider an alleged governing document violation which could result in disciplinary action against a Member.

a. **Notice of violation.** Upon report of a violation of the Association's governing documents to the Board, the violating Member shall be given a written Notice of Violation. The Notice of Violation shall contain, at a minimum, the following: (i) a description on the violation; (ii) notice that the violation may result in a hearing and possibly a fine or other enforcement measures; and (iii) instructions for the Member to dispute the report of violation (record of which, if and when received by the Association, shall be attached to the Notice of Violation and made a part thereof).

b. **Notice of Hearing.** Should the Board determine to hold a disciplinary hearing regarding the violation described in the Notice of Violation, a written Notice of Hearing will be sent to the Member at least ten (10) days prior to the hearing and will be given either by personal delivery, first-class mail or any other method permitted by California law to the Member's most recent address shown in the Association's records. The Notice of Hearing shall contain, at a minimum, the following: (i) the date, time, and place of the hearing; (ii) the nature of the alleged violation for which the Member may be disciplined; and (iii) a statement that the Member has a right to attend and may address the Board at the hearing.

c. **Opportunity to Be Heard.** The Member shall have the right to send a letter, send a representative, or appear in person to present evidence as to why he/she should not be disciplined and/or did not commit the alleged violation. The Member shall also have the right to bring an attorney with him/her to advise him/her or to speak on his/her behalf. The hearing will be held during an open session meeting of the Board, unless the Member requests in writing to the Board prior to the hearing that the hearing be held in executive session.

d. **Rescheduled Meetings.** In the event the Member fails to appear for a hearing, the Board will review the evidence presented to date and make its decision accordingly. Upon timely, written request and for worthy cause, the accused Member may be granted a continuance to a new hearing date. The Board is under no obligation to reschedule a hearing to accommodate a Member's schedule.

e. **Correction of Violation.** In the event the violation is corrected prior to the hearing date, the Board may, if appropriate and in its sole discretion, discontinue the disciplinary proceedings.

f. **Notice of Decision.** Within fifteen (15) days after the hearing, the Member will be given written notice by personal delivery or first-class mail of the Board's decision whether to impose disciplinary measures against the Member, and, if so, what disciplinary measures will be imposed, when, and, if applicable, for how long.

g. **Record of Decision.** A copy of the Notice of Hearing, along with a statement of the date and manner of delivery of the Notice of Hearing entered by the Association representative delivering the Notice of Hearing, along with the Notice of Decision, shall be filed with the minutes of the hearing.

h. **Conflicts of Interest.** If a member of the Board has a conflict of interest in a disciplinary matter (e.g., the Board member filed the complaint, or the complaint was filed against the Board member), that Board member may not deliberate or vote on the Board's decision whether to impose disciplinary measures with respect to that matter.

2. Remedies for Enforcement. To enforce the Association's governing documents, the Board may impose one (1) or more of the remedies described below, as the Board deems appropriate and in its sole discretion. The selection of one (1) of the following remedies does not preclude the Association from pursuing other remedies permitted under this Policy, the Association's governing documents, at law and/or in equity.

Possible Remedies / Disciplinary Measures:

- a. Warning letters
- b. Monetary penalties
- c. Suspension of the right to use common area recreational facilities and amenities

- e. Internal dispute resolution ("IDR") or alternative dispute resolution ("ADR")
- f. Litigation

Suspension of membership privileges, as may be applicable, may be imposed for a period of up to thirty (30) days for a single non-continuing violation. Membership privileges may be suspended for so long as a continuing violation exists and remains uncured.

Failure by a Member to pay any monetary penalty or reimbursement assessment imposed within thirty (30) days of the due date thereof may result in legal action against the Member by the Association to collect such amount. If the Association is forced to retain an attorney to ensure compliance, or collect a monetary penalty or a special/reimbursement assessment, the Member shall be liable for those attorney fees and costs and all related expenses, in addition to the amount of the monetary penalty or reimbursement assessment.

3. Fine Schedule. Violation of the Association's governing documents may result in the imposition of a monetary penalty, as the Board may determine to be appropriate to the situation and as provided for in the fine schedule below. In addition to or instead of imposing monetary penalties, the Board may pursue other remedies for enforcement described in this Policy.

- 1st violation: warning or a fine up to \$100

- Continuing violations: fines up to \$500 per day may accrue until the violation is cured

The Board reserves the right to levy a fine in a larger amount if warranted by the nature of the violation.

4. Selection of Remedies. The Association may pursue one (1) or more enforcement remedies simultaneously. The selection of one (1) enforcement remedy does not preclude the Association's right to pursue any other remedies.

INTERNAL DISPUTE RESOLUTION PROCEDURE (IDR)

Civil Code Section 5915

This policy applies to a dispute between the Association and a member involving their rights, duties, or liabilities under the Davis-Stirling Act, under the provisions of the Corporations Code relating to mutual benefit corporations (commencing with Corporations Code Section 7110), or under the Association's governing documents.

Either party to a dispute within the scope of this article may invoke the following procedure:

1. The party may request the other party to meet and confer in an effort to resolve the dispute. The request shall be in writing.
2. A member of the Association may refuse a request to meet and confer. The Association may not refuse a request to meet and confer.
3. The Association's Board of Directors shall designate a member of the Board to meet and confer.
4. The parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute.
5. A resolution of the dispute agreed to by the parties shall be memorialized in writing and signed by the parties, including the Board designee on behalf of the Association.

An agreement reached under this section binds the parties and is judicially enforceable if both of the following conditions are satisfied:

1. The agreement is not in conflict with law or the governing documents of the Common Interest Development or Association.
2. The agreement is either consistent with the authority granted by the Board of Directors to its designee or the Board of Directors ratifies the agreement.

A member of the Association may not be charged a fee to participate in the process.

ALTERNATIVE DISPUTE RESOLUTION

Summary of Civil Code Section 5925-5965

Sections 5925-5965 of the Civil Code require that before owners and associations file lawsuits against each other for declaratory relief or injunctive relief in connection with a claim for money damages under \$5,000 or for enforcing the Association's governing documents, the filing party shall endeavor to submit the dispute to Alternative Dispute Resolution (ADR). Forms of ADR include mediation, negotiation, and binding or nonbinding arbitration. This provision does not apply to the filing of cross-complaints.

The ADR process is initiated by one party serving a Request for Resolution upon the other parties to the dispute. The request must include (i) a brief description of the dispute, (ii) a request for ADR, (iii) a notice that a response must be received within thirty (30) days or it will be deemed rejected, and (iv) a copy of Civil Code Sections 5925-5965.

If the party receiving the request agrees to ADR, the process must be completed within ninety (90) days unless otherwise extended by agreement. The cost of ADR is to be paid by the participating parties. If a civil suit is filed, the filing party must submit to the court a Certificate of Compliance indicating the party has complied with the requirements of Sections 5925-5965. Failing to do so would be grounds for challenging the lawsuit.

Although the prevailing party is entitled to reasonable attorneys' fees and costs, the court may consider a party's refusal to participate in ADR when making the award.

FAILURE BY ANY MEMBER OF THE ASSOCIATION TO COMPLY WITH THE ALTERNATIVE DISPUTE RESOLUTION REQUIREMENTS OF CIVIL CODE SECTION 5930 MAY RESULT IN THE LOSS OF YOUR RIGHTS TO SUE THE ASSOCIATION OR ANOTHER MEMBER OF THE ASSOCIATION REGARDING ENFORCEMENT OF THE GOVERNING DOCUMENTS OR THE APPLICABLE LAW.

pursuant to a foreclosure or exercise of a power of sale by the holder of a prior encumbrance (but not pursuant to a deed-in-lieu of foreclosure). A "prior encumbrance" means any first Mortgage or other Mortgage or lien Recorded against the Unit at any time prior to Recordation of the Association's Assessment lien (see Section 4.12, below).

(c) No sale or transfer of a Unit as the result of foreclosure, exercise of a power of sale, or otherwise, shall relieve the new Owner of such Unit (whether it be the former beneficiary of the first Mortgage or other prior encumbrance or a third party acquiring an interest in the Unit) from liability for any Assessments which thereafter become due with respect to the Unit or from the lien thereof.

(d) Any Assessments, late charges, interest and associated costs of collection which are lost as a result of a sale or transfer of a Unit covered by subparagraph (b), above, shall be deemed to be a Common Expense collectible from the Owners of all of the Units, including the person who acquires the Unit and his or her successors and assigns.

(e) No sale or transfer of a Unit as the result of foreclosure, exercise of a power of sale, or otherwise, shall affect the Association's right to maintain an action against the foreclosed previous Owner personally to collect the delinquent Assessments, late charges, interest and associated costs of collection incurred prior to and/or in connection with the sale or transfer.

Section 4.12. Priorities. When a Notice of Delinquent Assessment has been recorded, such notice shall constitute a lien on the Unit prior and superior to all other liens or encumbrances recorded subsequent thereto except: (a) all taxes, bonds, assessments and other levies which, by law, would be superior thereto; and (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value; provided, however, that such subordination shall apply only to the Assessments which have become due and payable prior to the transfer of such property pursuant to the exercise of a power of sale or a judicial foreclosure involving a default under such first Mortgage or other prior encumbrance.

Section 4.13. Unallocated Taxes. In the event that any taxes are assessed against the Common Area, or the personal property of the Association, rather than being assessed to the individual Units, such taxes shall be included in the Regular Assessment imposed pursuant to Section 4.02, above, and, if necessary, a Special Assessment may be levied against the Units in an amount equal to such taxes to be paid in two installments, thirty days prior to the due date of each tax installment.

Section 4.14. Assignment of Rents. Each Owner does hereby presently assign to the Association, absolutely and regardless of possession of the property, all rents and other monies now due or hereafter to become due under any lease or agreement or otherwise for the use or occupancy of any or all parts of any Unit owned by the Owner, now existing or hereafter made for the purpose of collecting all Assessments due the Association pursuant to this Declaration which are in default. The Association hereby confers on each Owner the authority to collect and retain the rents and other monies derived from any such lease or agreement as they become due and payable; provided, however, that the Association at its sole discretion, may revoke such authority at any time, upon written notice to the Owner of a default in the payment of any Assessment due hereunder. Upon revocation of such authority the Association may, pursuant to court order or by court appointed receiver, collect and retain such monies, whether past due and unpaid or current.

Section 4.15. Waiver of Exemptions. Each Owner, to the extent permitted by law, waives, to the extent of any liens created pursuant to this Article, the benefit of any homestead or exemption law of California in effect at the time any Assessment or installment thereof becomes delinquent or any lien is imposed.

The Owners

(c) The Board or Committee must make a good faith determination that: (i) the requested variance, if granted, will not constitute a material deviation from the overall plan and scheme of development within the Property or from any restriction contained herein or that the variance proposal allows the objectives of the violated requirement(s) to be substantially achieved despite noncompliance; or (ii) the variance relates to a requirement hereunder that it is unnecessary or burdensome under the circumstances; or (iii) the variance, if granted, will not result in a material detriment, or create an unreasonable nuisance, with respect to any other Unit, Common Area or Owner within the Property.

Section 5.07. Estoppel Certificate.
